

Wetland Plant List

We have listed a variety of plants that can be used as bog plants or in floating island planters. Most of these want the crown or top of the plant out of the water, but even moisture on the roots is enjoyed and for some of them required. For plants that prefer the crown under water, see our water garden display. We carry many, but not all, of these plants in our perennial, annual and tropical selections.

Althenanthera	
Arrowhead	<i>Sagittaria</i>
Autumn fern	<i>Dryopteris</i>
Bacopa	<i>Bacopa</i>
Bamboo	<i>Dulichium</i>
Banana	<i>Musa</i>
Blue Lobelia	<i>Lobelia syphilitica</i>
Bulrush	<i>Scirpus</i>
Canna	<i>Canna</i>
Cardinal Flower	<i>Lobelia cardinalis</i>
Cattail	<i>Typha</i>
Creeping Jenny	<i>Lysimachia</i>
Elephant Ears	<i>Calocasia</i>
Forget-me-not	<i>Myosotis</i>
Geum	<i>Geum</i>
Golden Monkey	<i>Mimulus</i>
Hibiscus (perennial)	<i>Hibiscus</i>
Horsetail	<i>Equisetum</i>
Joe Pye Weed	<i>Eupatorium</i>
Louisiana Iris	<i>Iris Laevigata</i>
Marsh Marigold	<i>Caltha</i>
Mint	<i>Mentha</i>
Papyrus	<i>Cyperus</i>
Pennywort	<i>Hydrocotyle</i>
Pickerel Rush	<i>Pontederia</i>
Pitcher Plants	<i>Sarracenia</i>
Ribbon Grass	<i>Phalaris</i>
Rush Grass	<i>Juncus</i>
Sedge Grass	<i>Carex</i>
Sweet Flag Grass	<i>Acorus</i>
Water Celery	<i>Oenanthe</i>
Water Chestnut	<i>Eleocharis tuberosa</i>
Water Clover	<i>Marsilea</i>
Water Iris	<i>Iris Versicolor</i>
Yellow Flag	<i>Iris pseudacorus</i>
